

PLAY TO WIN

— A message from Jesus

Life can be likened to a series of sports events—each one leading up to the grand finale. You are like an athlete. In order to play the game, run the race, or compete in the event, you've got to train hard, work out, and pass all sorts of preliminary tests. You have to build your muscles, develop your skills, and fine-tune your coordination. There are many preliminary events, competitions, and tournaments in life—all pointing you toward the final goal, the big event, like the Olympics or the World Cup.

By being born on this earth you're automatically a player in the Game of Life. There are only two teams in the Game of Life—the winning team or the losing team. You decide which one you want to be on.

I am extending you a personal invitation to join My team—the winning team. Unlike the sports you're familiar with, I don't hold tryouts. All you have to do to join My team is say, "Yes, I'll play for You." Once you've done that, I'll become your personal trainer and coach you through the Game of Life.

I'll teach you how to find lasting happiness, satisfaction, and peace. I'll teach you how to be a team player and a winner in your relationships with others. I'll help you to live the way you're meant to live.

As Head Coach, I have a perfect track record. All those who stick with Me are guaranteed to end up winners! I know unbeatable strategies, and I can coach you through anything. I'll always be there for you, and I'll help you through each new challenge

that comes your way. I'll guide you over the tough hurdles and through every obstacle.

I'll also help you to prepare for crossing the final victory line when you pass from this life to the next—where you will find complete and perfect love, peace, and happiness for all eternity. What you learn here throughout your life will not be lost when this life is over.

There's no greater thrill, no greater rush, and no greater satisfaction than experiencing the final victory of eternal life in My heavenly kingdom. I want you on My team because I want to see you reach this goal. I want you to be a winner!

I'll be your Coach for the Game of Life if you ask Me to. You can do so by praying this prayer:

Jesus, I want to join Your team. Please come into my heart and be my Life Coach. Teach me the rules of the game and show me how to love You and others. Help me through the preliminaries, over the hurdles, and through life's obstacles. Help me to learn Your strategies and follow Your signals so I can be a winning player in this life and in the next.

If you've said this prayer with a sincere heart, you're on My winning team now. Your training has begun. I've got a plan for you. I'll never let you down. I'm here for you always and forever.
